ETHAN ALEXANDER LEE

Hazel Green, AL | (256) 694-0379 | ethan.alexander.lee@outlook.com | U.S. Citizen

Software Development | IT Support | Systems & Networking

SUMMARY

Computer science student with professional IT experience spanning user support, systems administration, networking, cloud services, and web development. Experienced with JavaScript, TypeScript, Node.js, Linux, Windows, Active Directory, Azure, and technical troubleshooting, with broader experience in C, C++, Java, SQL, and systems programming. Seeking a full-time role in software development, systems, IT, QA, or technical support.

SKILLS

Web Development: JavaScript, TypeScript, Node.js, Next.js, full-stack web development, HTTP/REST APIs
Systems & IT: Linux, Windows, networking, Active Directory, Azure, Microsoft 365, server administration, hardware/software troubleshooting
Programming: C, C++, Java, Ruby, PowerShell, SQL/databases
Tools: Git, PM2, ffmpeg, web deployment, caching/reverse-proxy concepts, production troubleshooting

EXPERIENCE

Student IT | The University of Alabama in Huntsville | Apr 2023 - Aug 2023
• Provided IT support at CSPAR, troubleshooting hardware, software, account, and network issues in a research environment.
• Supported Active Directory, Linux servers, web services, and day-to-day systems administration.

Cybersecurity Specialist | Cyberprotex | Aug 2021 - Jul 2022
• Supported client Azure/cloud and local-network deployments, server administration, and technical troubleshooting.
• Implemented and maintained web, network, and system services across client environments.

EDUCATION

Western Governors University | B.S. Computer Science, in progress | Apr 2025 - Present
The University of Alabama in Huntsville | Coursework toward B.S. Computer Science | Aug 2020 - May 2024

RELEVANT COURSEWORK

C Programming, Java & Object-Oriented Programming, Data Structures & Algorithms, Unix/Linux Programming, Networking & Security, Databases & Data Management, Version Control, Discrete Mathematics, Computer Switching Theory, Web Development, Calculus, Probability & Statistics

PROJECTS

NASA Space Apps Challenge - Main Developer | Huntsville Regional - 1st Place | 2020
• Served as the primary developer for the team that won first place in the Huntsville regional competition.

Custom Browser Homepage | Next.js, TypeScript, Node.js, PM2, PowerShell, ffmpeg
• Built and self-hosted a configurable Windows-based homepage with dynamic media backgrounds, runtime management, and automated video processing.

Java Team Project | UAH Computer Science Coursework | UAH
• Acted as the primary Java and systems-programming contributor on a six-person team project, driving implementation and troubleshooting; earned the highest final grade in the class.

CERTIFICATIONS

Microsoft 365 Fundamentals (MS-900) | Microsoft | Sep 2021
Certified Web Application Developer | W3Schools | Oct 2021
Additional W3Schools certifications in HTML, CSS, JavaScript, PHP, and SQL

LEADERSHIP & SERVICE

Eagle Scout
Youth Leadership Council Member | United Way of Madison County | 2017 - 2020

OTHER EXPERIENCE

Substitute Teacher | Madison County Schools | May 2025 - Present • Classroom management, communication, and rapid adaptation to changing assignments.
Ramp Agent | GAT Airline Ground Support | Jul 2022 - Oct 2022 • Aircraft ground operations under strict safety procedures and turnaround deadlines.
